

Voices
for Vermont's Children

Burlington and Winooski High Schools are changing...to better prepare EVERY STUDENT for the future!

The Winooski-Burlington Partnership for Change is working to better prepare all students for the future. As part of this project, *Voices for Vermont's Children* is coordinating one-to-one conversations with parents and students - to learn more about your experiences, what's working, what could be improved - AND to connect you with opportunities to be involved in changing the "high school experience" for all students.

Community Organizers Dawn Moskowitz and Peter Garang Deng work with Voices for Vermont's Children. For nearly 30 years, Voices has worked to improve opportunities for children and youth. You can find out more at <http://www.voicesforvtkids.org>

You can reach Dawn at 802-318-5892 or partner4kids@gmail.com or Peter Garang at 802-363-8613 or peter.garang2@gmail.com
