

YOU Can Make a Difference.....

For All of Our Children

Burlington and Winooski High Schools are changing!

There are 3 ways PARENTS can help:

- 1) Share your hopes and concerns in a one-to-one conversation**
- 2) Get involved in a team to help plan the changes at the high schools**
- 3) Become a Parent Leader to help organize parents**

The Winooski-Burlington Partnership for Change is working to better prepare all students for the future. As part of this project, Dawn Moskowitz and Peter Garang Deng, Community Organizers with *Voices for Vermont's Children*, are hosting conversations with parents & students, helping to build a parent action network and supporting new leaders. To set-up a one-to-one conversation, or to learn more, call Dawn at 802-318-5892 or partner4kids@gmail.com or Garang at 802-363-8613 or peter.garang2@gmail.com
